

ADOPTING AN ATTITUDE OF GRATITUDE

Depressed? Anxious? Insomnia? Pessimistic? Negative Thoughts? Stuck in the Past? Stuck in a Rut? Suicidal Thoughts? Persistent Sadness? Persistent "Empty" Feeling? Hopelessness? Loss of Feelings of Guilt? Worthlessness? Helplessness? Overwhelmed? Stuck on the Hamster Wheel? Restless? Decreased Interest in Pleasure, Hobbies and Sex? Decreased Energy, Fatigue, Feeling "Slowed Down?" Ready to throw in the towel? Just need something to give?

In this day and age most of us are mentally and emotionally conditioned to prioritize negative memories and experiences in our memory storage and reconstruction capabilities. This is a harmful practice most of us learned at a young age. There's the good news that you can actually rewire your brain to prioritize storing and reconstructing memories and experiences that release dopamine, anandamide and other feel-good neurochemicals and hormones and finally reclaim your intellectual sovereignty and sanity in these insane times.

You can do this in less than 5 minutes a day for the cost of a notebook and a blue or red ink ballpoint pen. Before adding another pHARMaceutical to your routine or reaching for a coping aide like alcohol, drugs or harmful "food" products, dare to take the 30-Day Challenge and adopt "An Attitude of Gratitude". In just 30-Days you too can rewire your entire brain with this simple practice.

Imagine waking up everyday energized, ready to jump out of bed and start co-creating in god's paradise. Imagine feeling pure love, peace and total acceptance from deep inside your soul emanating out of you like a bright light expanding exponentially throughout infinity. Imagine feeling blessed everyday with so many gratitudes it actually feels impossible to pick just three or four you are most grateful for. Imagine feeling a strong sense of calm deep within the core of your being. Remember you are made perfect from the light of god.

Give yourself permission to manifest paradise for all of creation.

That's it. Yes, it is that simple.

How much or how little you write is a personal choice. Most people who adopt this simple daily practice have been suffering from depression for years and are exhausted with all the medications, meditations, affirmations, biurnal beats, self-help guru's and New Age blah blah blah promoting the invalidating mantra of "just get over it." These are clearly the moronic musings of someone who's never spent more than a week in bed with unwashed hair in the same pair of dirty sweatpants.

ADOPTING AN ATTITUDE OF GRATITUDE

If you are writing each gratitude as one word, one page or both, you are doing it RIGHT!

As long as you continue writing 3 to 4 experiences you are MOST grateful for that day you are doing it RIGHT!

By just the act of doing it, you are doing it RIGHT!

At first you may tell yourself "it can't be this easy" because you've literally tried everything. Here's the deal, do this for 30 days as you've already tried everything else and this doesn't cost anything but a minor effort on your part. What do you have to lose? Are you ready to be a co-creator in your own life?

Grab a notebook & a blue or red pen!
Your 30-Day Challenge begins **tonight!**

May your life be full of great joy with the health and abundance to enjoy it.
